Memorial Day Parade Set For 10:00 a. m. Next Wednesday

The annual American Legion Memorial Day parade will start from the Graying Legion Hall on Old 27 next Wednesday morning, May 30th, at 10 o'clock sharp. Participants include the Legion Color Guard, the Graying High School band, the Graying and Frederic Boy Scouts and the Graying and Frederic Sunshinists. The parade route will be along the main highway from the Legion Hall to the cemetery, then down Erie to Michigan Ave., along Michigan to Peninsula, down Peninsula to Ionia St., from Ionia to Old 27 and back to the Legion Hall.

A J. "Tony" Nelson of Graying and Hillman has been named as marshal for the parade. Speaker of the parade will be the Rev. Charles Allen of the Graying Free Methodist church.

Social Security Meet Tonight

A Social Security representative will be in Graying Thursday, May 24, to answer questions at a meeting open to the public. The representative from the Traverse City district office will be in the court room at the county courthouse at 7:30 p. m. This is an excellent opportunity for the people in this area to learn what they can expect to receive from social security if there is death, disability or retirement.

How much money can a person earn and still receive social security benefits? These and similar questions will be answered at the meeting. Write your questions down and bring them with you to the meeting. Social security will also be available.

The meeting has been arranged through the cooperation of E. O. Wiles, manager of the Traverse City district office, Leo Lovely, Crawford County Clerk, and the Graying community.

Poppy Days Will Be Thursday, Friday, And Saturday

Poppy Days in Graying will be observed May 24, 25 and 26 Thursday, Friday and Saturday of this week. Poppy Day is sponsored by the American Legion Auxiliary, Unit 108 of the local auxiliary will be selling poppies, made as always by disabled veterans in Veterans Hospital, for two days. They will ask for purchase of a poppy as America's silent tribute to her heroes.

The tourney will get underway at 1:00 p. m. and later in the afternoon a potluck luncheon will be enjoyed by all club members and tournament entrants.

Library Fund Drive Set Up

At a meeting at the Graying High School gym foyer on Monday evening of this week attended by about 35 people, final plans for the two fund drives for a new building for the Crawford County Library were set up. The meeting was chaired by the two co-chairmen of the drive, Wesley Kumpula and Earl Whaley.

Mr. Kumpula opened the session and briefly told those in attendance the severe facts concerning the business and professional drive which is set for June 10 to 16 and of the general public call which will be from June 24 through July 1.

Mr. Whaley gave instructions on the collection as to receipts, records, etc. It was pointed out that checks should be made out to Crawford County Friends of the Library fund. Cash donations, pledges which will cover a 30 day period or memorials will be accepted. All gifts will be acknowledged by receipt from the worker and by mail from the Friends of the Library. Memorial gifts will be properly marked in the new building.

Eleven Graying business people have consented to carry out the business and professional drive June 10 to 16. They are: Arnold Mauren, Mrs. Harry Hoerl, Mrs. Lester Welch, Mrs. Walter Truettner, Thomas Stancil, Clarence LaMotte, Carroll West, Mrs. Arthur Worley, Mrs. Olin Williamson, Mrs. Lillian Houghton and William Tufts.

Acting as captains for the calling on the general public from June 24 to July 1 are: Joseph Stripe, Irving McIsaac, Mrs. Wesley Kumpula, Mrs. James H. Brown, Mrs. Matilda Bishop, Mrs. B. E. Henig, Mr. and Mrs. Edwin F. Funck, Earl Gierke, Mrs. Harry Schaefer, Mrs. William Joseph Gerald, McEvers, Elmer, Mrs. Leonard Allison, Mrs. Arthur Wakeley Jr., Mrs. Dan Babbitt, Eugene Kaiser, Charles Post, Mrs. Richard Johnson, Mrs. Floyd Worthing, Mrs. Marjorie Rogalle, Mrs. David Babbitt, Mrs. James Farkhard, Jack Boston and Mrs. Howard Meads. Several other captains are expected to be named before the start of the campaign.

A number of workers will be added to the business and professional campaign staff to contact the widely needed businesses.

Names of workers who will be working under these captains will be published prior to the start of the visitations to the residents of the community.

For those who have not seen them, a display of the architect's drawings and floor plans of the new library will be displayed in the lobby of the Graying State Bank for the next week or so.

Two Youthful Car Thieves Apprehended

Two youthful car thieves who were involved in the stealing of at least four cars in the Graying area were apprehended in a stolen car on Monday evening by State Police. A 14-year old boy of Owosso and Crawford County and an 18-year old girl of Owosso were arrested in a stolen car on Monday evening by State Police. A 14-year old boy of Owosso and Crawford County and an 18-year old girl of Owosso were arrested in a stolen car on Monday evening by State Police.

On May 6, a car owned by Cyril Houck of Graying was stolen from in front of St. Mary's Hall. On May 7, a car owned by Robert LaMotte of Graying was taken from in front of his home. On May 10, a car owned by Walter Conner of Graying was stolen from near the high school.

All four cars have been recovered and returned to their owners. The youthful pair were allegedly involved in several thefts of cars in other areas between Owosso and Higgins Lake.

Senator Harold Hughes To Seek Re-Election

Senator Harold B. Hughes, of Clare, announced today that he would seek re-election as Senator of the 28th District of Michigan.

Senator Hughes won the Special Election last December to fill the vacancy created by the death of former Senator Charles Prescott.

Since taking his place in the Senate on January 10 he has had occasion to participate in the most trying sessions in the history of the Michigan Senate. During the short time he has represented this district he has been appointed to the Committee on State Affairs, the Committee on Agriculture, and the new and important Tourist Industry Relations Committee.

Girl Scout Executive To Speak At P.T.A.

Miss Helen Langlois, Girl Scout Executive from National Girl Scout Headquarters will be the guest speaker at the next meeting of Graying P.T.A., May 28th at 8:00 p. m.

All adults, whether they are P.T.A. members or not, are invited to attend this meeting and find out how they may be of help to the organization of our town. There are over one hundred girls who participate in the Scouting program at present and there are only a small group of adults who assist them.

In addition to a need for more troop leaders, Graying needs three adults to represent it on the new Girl Scout Council if they are to continue with a program for the girls in the area.

Golf Club Aux.

Members of the Graying Golf Club Auxiliary held their first meeting of the year at the club house on Thursday, May 17th.

Edward Lowrie, took charge of the business meeting at which plans for the coming season were discussed.

The first play of the year will take place on Wednesday morning, June 6th at nine sharp. Those who plan to participate are requested to turn in five scores, before that time, so that handicaps can be figured.

New golfers are welcome to join the groups.

Coffee and cookies were served following the meeting.

State Requires All School Districts Raise 8 Mills To Receive Full State Aid

The School Aid Act of 1959 specifically states, "If the school district does not levy at least 8 mills for the purposes included in the operation cost of the school district, the aid amount allotted or paid shall be reduced to an amount which bears the same proportion to the total amount allotted or paid as the actual levy bears to 8 mills."

The above law means that in order to receive the full amount of state aid a school district must raise 8 mills. If they raise only 7 they will receive 7/8 of their state aid. For 6 mills levied the school district will receive 6/8 of their state aid. No state aid will be paid to a district raising less than 6 mills.

The State Aid for this year 1961 and 62 will amount to \$131,050.33 or 55% of the total income in the school district last year.

If we do not vote more millage at the annual election June 11th we stand to lose more than 24 out of every 100 dollars.

Proposed Budget for 1962-63

Census 981 (all children 5 to 19 inclusive in the district, during the last 20 days in May).

Membership 840 (students in school as of the 4th Friday after Labor Day). State Aid is figured on membership.

State Equalized Valuation of the school district, \$4,773,667.00.

General property tax (10 mills)	\$47,736.67
Primary fund	\$26,613.68
State Aid (205.00 per membership child less 34% deductible)	\$131,071.90
Transportation	\$8,000.00
Driver Education	\$1,350.00
School Land Grants	\$6,200.00
Tuition	\$6,000.00
Text Book Rental and Supply Room	\$2,600.00
TOTAL RECEIPTS	\$292,572.15

Estimated Expenditures

Administrative	\$15,075.00
Instruction	\$166,900.00
Operation of School Plant	\$25,900.00
Maintenance of School Plant	\$5,400.00
Insurance	\$4,000.00
Transportation	\$10,500.00
Capital Outlay	\$3,000.00
Supply Room	\$4,000.00
TOTAL OUTLAY	\$234,775.00

Estimated deficit for 1962-63 school year

The proposed budget for next year is \$4,356.30 more than the actual expenditures for last year which was \$230,419.70. The figure does not include \$8,000.00 for a new bus to replace number 4 which is 7 years old.

These figures for next year are estimates based on past experience and actual contracted amounts. The figures for this year and last are actual amounts received or expended.

As one can see from the figures, the school cannot be operated on less than 10 mills of local support.

We cannot afford to lose 55% of our state aid.

We strive to give your children the best education possible.

Vote for 8 mills at the annual school election June 11th.

The Graying School Board

P.T.A. HAS FULL PROGRAM SCHEDULE

The Graying P.T.A. has a full program scheduled for next Monday, May 28th. The Executive Board will give a dinner for new officers at 6 o'clock p. m. in the school gym, with Mrs. James Hatfield as guest speaker. Following at 8 p. m. meeting, the Rev. Alfred Fennell will install the new officers.

Miss Helen Langlois, a former Graying teacher, now a Girl Scout executive, will explain the new Girl Scout Council Graying is now a part of.

All parents, teachers and the general public are invited to attend the 8 o'clock meeting. Eighth Grade mothers are to be the luncheon hostesses.

Volunteer Fire Dept. Making Progress

The Volunteer Fire Department is making progress. The Department demonstrated the pump action Sunday evening and was pleased with the amount of pressure and water it could handle.

The Department building is up to the window level, and all hands were well satisfied with Sunday's pancake breakfast handled by the Auxiliary. Although they were prepared for nearly 200 people, there were closer to 75 who showed up.

There will be a benefit fish fry June 1st, 1962 at the Frederic Inn from 5 to 9 p. m. Suggested donations, 25 and 75c, and there will be takeouts.

A Father and Son Banquet is planned for June 12th at 8:30 p. m. at the Frederic Town Hall. Dr. B. E. Henig of Graying, will be the guest speaker.

Woman's Club

The Graying Woman's Club held a potluck dinner at the clubhouse Monday evening at 6:30 o'clock. Lilacs and tapers decorated the buffet table and lilacs were used as centerpieces. Mrs. Carl Richardson, chairman, was assisted by Mrs. Whitney Madison, Mrs. Les Hunter and Mrs. W. J. Smith. Safety Chairman, Mrs. Carl Richardson, introduced Mrs. Eben Fie and Mr. Earl Broadbent, who showed the New York Central safety film entitled "Rescue Breathing." This was a highly informative movie on death, present drinking, and as parents, the group found it most interesting.

Mrs. John Latuszek, Mrs. Melvin Nielson and Mrs. Lorne Douglas, club members, entertained the visiting mayor's wife, Mrs. Grant Baughman and friend of Colonel on a round of sightseeing Monday.

VIKING LINKSTERS WIN FIRST MATCH

The Graying Viking golf team defeated the Traverse City Jaycees when the Graying linksters last Wednesday, 8-7. On Friday they finished sixth in an eight-team Class C regional at Grand Rapids.

In the Traverse City meet, Dave Johnson won three points by taking both nines on match play and a winning medal score for the 18 holes. Walt Fallon added two and a half points. Jack Welch, two points and Johnny Cook gained a one-half point.

The regional meet was won by Comstock Park for the eighth straight year. They had a total score of 383 which was arrived at by adding the 18 hole scores of each team member. Graying's score of 422 was good for sixth place ahead of Clare and Portland St. Patrick.

Chris Meil of Stanton won medalist honors for the meet with a 74 which was one stroke better than the Class B medalist and three strokes better than Class A.

The team traveled to Traverse City Wednesday for a return engagement with their Jaycees.

The members of the team would like to publicly thank the Graying Golf Club for making it possible to have the team and for having all trip expenses.

SHERM NEAL DINNER TO BE ROAST BEEF

A roast beef dinner with all the trimmings on the menu for the Sherman Neal dinner planned for 7 o'clock on June 9th at the American Legion Hall. Sponsoring the affair are the American Legion Unit 106 and Ladies Auxiliary.

Tickets are available at \$2.00 each, from the Legion Club, the Moose Club, through Post Sgt. at Arms Leo Jorgensen, and at the Bear Archery from Mrs. Jerry Muth.

River Owners Meet May 31

The Ausable River Property Owners' Association will hold an open meeting at 8 p. m. Thursday, May 31, at the high school gym.

This marks the third year of operation for this non-profit organization which was organized to improve sanitation along the stream and preserve the beauty of our famous Ausable River.

During this season, the Association will sponsor two (spring and fall) bottle and can clean-up days along approximately 40 miles of stream and in addition will place and service eight refuse barrels at selected points that are heavily used by picnickers and campers. Twenty to 40 high school students are the "firemen" who will collect the litter from the bottom of the river.

President Bruce Smith points out that public opinion as well as along the Ausable, aided by wide stream cleanup, have produced good results. "At the beginning," said Mr. Smith, "six to eight truckloads of cans, bottles, and junk were recovered from the stream and hauled away. Last year, three truckloads did the job."

But the problem is never-ending. Each year the canoe traffic along the Ausable, aided by wide stream cleanup, have produced good results. "At the beginning," said Mr. Smith, "six to eight truckloads of cans, bottles, and junk were recovered from the stream and hauled away. Last year, three truckloads did the job."

Vikings Last In Loop Meet

On Monday of last week, the Graying Viking track team trailed the field in the Northern Class C Conference track meet held at Petoskey. The Charloux Red Raiders took the meet with 54 points. Graying could manage but 7 points.

Scoring points for Graying were: Jim Johnson and Jim Young who tied for second in the pole vault; Bob Hale with a fifth in the high hurdles and the mile relay team took fifth. Running on the relay team were Mike Young, Steve Dawson, Norman Sorenson and Steve Peltz.

Only one Viking (timed placed) at the Regional Track Meet held at Traverse City last Saturday. Jim Young, Graying sophomore, tied for third in the high jump with five other boys. The promise was that that of all the boys who finished first, second or third all were seniors except one.

Graying has decided to skip the Petoskey Relays this year as enough good runners can't be rounded up to form all the relay teams. So track season is over for the Vikings and equipment is being turned in this week.

Announces Candidacy

Wallace Peltz, son of former Representative Emil Peltz, has announced his candidacy for the office of State Representative, Presque Isle District, a position which his father held for a number of years.

Wallace, a lifetime resident of Rogers City, is 32 years old, is very well known and has been active in many civic affairs. He is a former president of the Presque Isle County Sportsman's Club, was vice president of the Rogers City Chamber of Commerce, at present director of the Michigan United Conservation clubs, Dist. 17 and board member of the Rogers City Community Development Organization. He was the organizer of the Jaycees when that organization was active some time ago.

Cubs To View Rescue Breathing Film

Cub Scouts and parents will be shown the film "Rescue Breathing" at the pack meeting to be held Friday night at 7 o'clock at the Michelson Memorial Church. The public is invited.

BOY SCOUT CAR WASH

This Saturday, May 26th, Boy Scout Troop 116 will hold a car wash at the Graying Fire Station from 9 a. m. to 5 p. m. Price \$1.50. Sponsored by Rogers Lodge.

Colon Mayor Visits Graying Monday

QUIZ TOP MICHIGAN WEEK MAYOR'S EXCHANGE, SCHOOL

Mayor's Exchange Day on Monday and a Michigan Week quiz at the Graying High School on Friday highlighted the celebration of Michigan Week in Graying.

Mayor and Mrs. Grant Baughman and friends, Mr. and Mrs. Harold Cupp, all of Colon, arrived in Graying Sunday evening while Graying Mayor and Mrs. W. Burton McWilliams went to Colon.

The Mayor and Mr. Cupp were taken on a tour of the City by Councilman and County Michigan West Chairman, Emil Giegling, Crawford County Chamber of Commerce Secretary-manager, Robert Hayes and City Manager Harold Cliff. At the same time, Mrs. Baughman and Mrs. Cupp were entertained by Mrs. John Latuszek, Mrs. Lorne Douglas and Mrs. Melvin Nielson of the Graying Woman's Club. The two groups after enjoying trips around the city met at the Chief Shoppens Motor Hotel for luncheon.

In the afternoon both groups took more extended tours in the county visiting Camp Graying, Bear Archery, Hartwick Pines State Park, Underground Forest and the Ausable Souvenir plant.

In the evening, the Mayor was a guest of the Graying Kiwanis Club at their dinner meeting at the hotel. Following, the four some from Colon left for the Upper Peninsula to spend the remainder of the week.

Colon is a town of 1,055 located on M-86 in St. Joseph County not far above the Indiana State line. It is also situated between two lakes and is known as the Magicians city. The famous Percy Abbott maintains a factory at Colon that produces magicians' equipment.

The Graying Public School's Michigan Week Program will be held in the gym Friday afternoon at 3 p. m. The public is cordially invited to attend.

School Board president, Dr. B. E. Henig will act as master of ceremonies for the quiz type program. Each class will be represented by four students with a total of 24 students on the panel.

Questions will be asked concerning Michigan's history, geography, and government. The winning class name will be duly inscribed on the school's Michigan Week trophy.

Rash of weekend accidents

Twenty-five suffer injuries in four separate traffic accidents

A rash of traffic accidents over the past weekend brought personal injury to 25 persons, with at least five suffering serious injury.

The first accident occurred on County Road 612 east of Frederic Saturday afternoon. A group of high school students from Lansing, members of the Hi-Y Service Club on a sightseeing tour in the county, were involved in a pile-up involving a trailer containing 20 young people of from 16 to 17 years of age.

There were 34 in the group with three of them teachers. They had come north in a school bus accompanied by a car which was towing a four wheel trailer containing their duffel. Having visited Hartwick Pines State Park, the group planned a side trip to Jones Lake. Twenty of the students unloaded the trailer and rode in it. The car was driven by Don L. Nofziger, 23, of Lansing. The trailer began swaying after making a turn and finally pulled over the side of the road, overturning the trailer and throwing the young people to the roadway. Three were kept at Graying Mercy Hospital overnight while 15 others received treatment and were released.

The second accident occurred at 7:15 p. m. on M-72 east of Graying. A car driven by Marjorie Koutunen of Graying coming west was confronted by a car coming from the east. The car was driven by Dan L. Nofziger, 23, of Lansing. The car was driving on the wrong side of the road and was heading for a collision with the car coming from the west. She tried to avoid a collision by going into the ditch but struck the car backing out enough to turn her over. The car rolled over and then raced off to the east. In seven minutes after Sheriff Arthur Clough put out a radio call, Shirley Ann Estep, 28, of Flint, was stopped by the Osceola County Sheriff's Office. Sheriff Clough went to Mio and ticketed the driver for leaving the scene of an accident. She will appear in Justice Court here on the charge on Sunday. There was no injury in the accident.

Sunday at 3 p. m. on the Military Road south of Camp Graying, two cars collided with severe injury to one young and minor injuries to four others. A car being driven south by Daniel Canfield, 19, of Beaver Creek made a left turn and collided head-on with a car being driven north by Glenn J. Carter of Roscommon. Canfield was ticketed for reckless driving. There were 15 youngsters in the Canfield car. Lyle Canfield, 17, suffered two broken legs and is still a patient at Mercy Hospital. Less severely injured and treated and released were: Janet Berg, 17, Gary Humphrey, 14, Judy Given, 12, and Sharon Humphrey, 12.

The fourth accident occurred on I-75 south of Graying on Monday afternoon about 3:15 o'clock. A station wagon being driven north by Eleanor B. Stephenson, 33, of Grosse Pointe Farms left the highway and ran up a steep embankment and then back to the road. The driver stated a strong gust of wind caused her to lose control. Injured were Catherine Buell, 55, also of Grosse Pointe Farms, who suffered a severely cut left ankle, Janet Stephenson, 6, daughter of the driver was treated and released.

Four other accidents were investigated and checked by Sheriff Arthur Clough who made accident reports on them. Sorenson's ambulance brought the injured in to Graying Mercy Hospital.

Line Squall Hits Graying

A heavy line squall accompanied by extreme winds, thunder and lightning, hail and torrential rains struck the Graying area at midnight on Saturday.

Three were uprooted, broken off and limbs scattered by the storm. The Karen Woods area appeared hardest hit but scattered damage was reported here and there all over the city.

A small building housing the office at the go-kart track near the intersection on M-72 and I-75 business loop on the south side was flattened by the wind and many television antennas and towers were destroyed by the storm.

Among those who had antennas blown down in Saturday's storm were the Groves, the Jones, Wilfarians, the Dave Reillys, the Byron Randolphs and DeVere Wolcotts, Mrs. Burton Boger and the Basil Hubbells, also at the Robert Sattler home. The Laura Sammons Welch house had two trees blown down upon it, and the front porch of a small house on the Albert Charron property was blown right up onto the roof. Sorenson sign was blown away, parts of it recovered by the A. & P. Store. The phone booth at Mac's was turned round. At Lake Margaret the Ratcliff house, dock and hoist were completely overturned.

Kiwanis Club Notes

By Wes LaGrow

Mayor and Mrs. Grant Baughman and Mr. and Mrs. Harold Cupp, all of Colon were guests at Monday evening's meeting of the Kiwanis Club of Graying held at the Chief Shoppens Motor Hotel. Graying City Manager Harold Cliff was also a guest and was accompanying the visiting Mayor.

Ken Trapp of the Crystal Lake-Bethuliah Club was the exchange president and he brought a group with him to make it an interclub meeting. He was introduced by Graying president, Thomas Welsh, Emil Giegling, Crawford County Michigan Week Chairman introduced the visiting Mayor, his wife and friends. Mayor Baughman gave a short talk. Dr. A. E. Stricker of Crystal Lake and a 40 year Kiwanis member entertained with a number of amusing stories.

TEACHERS HONORED AT DINNER MEETING

Around thirty-five teachers, their husbands or wives, and school board members enjoyed a dinner at Chief Shoppens Motor Hotel last Thursday evening, sponsored by the Teachers' Club. The affair was an honor teachers who have been in the profession twenty-five or more years.

Mrs. Robert Bovee, club president welcomed those present and turned the program over to Dr. B. E. Henig, School Board President, who presented pins to the following: Supt. Joseph Stripe, Mrs. Elmer Fenton, LeRoy Christman, Mrs. Edgar Calk, and Earl Gierke for 25 years. Miss Margaret Douglas and County School Board Supt. Wesley Kumpula for 30 years and Mrs. Matt Edson for 35 years. Mr. Frank Bond, who was not present, was also mentioned as being deserving of a 25 year pin.

Constitutional Convention Running Into First Signs Of Opposition

THE CONSTITUTIONAL CONVENTION is running into the first signs of opposition to its proposed product.

Plans are progressing to present the document to the people as a single unit in November, if possible. The single unit feature of the Con-Con report likely may severely lessen its chances for approval.

Several organized groups attacked portions of the proposed Constitution even before the convention took its third and final vote on the provisions.

Supporters of the one package idea contend with some logic that the Constitution is a single entity and must be considered this way if government is not to become confused.

They stress that most (an estimated 85%) of the sections have near unanimous approval of Con-Con delegates; the state will gain a great deal by the new document.

First big gain is financial: Experts believe citizens will save \$15 million a year from changes in election laws and other efficiencies.

First to vocalize its opposition to the Convention proposals was the State AFL-CIO, which aimed its chief dislike at the recommendations for legislative apportionment.

Sarah Robinson, chairman of the State Civil Service Commission, came forth quickly with a blast at the Convention move to give the Legislature power to change or reject Commission-approved pay scales for state employees.

Legislators, many of whom were opposed to the calling of the Convention, joined in the chorus when they saw the document propose to eliminate their retirement system. This, plus a salary spelled out in dollars in the Constitution, brought the lawmakers to nearly unanimous bipartisan agreement that they would oppose the document if it was left this way.

The Legislature is composed of 144 persons, whose vote-raising has been demonstrated. The Civil Service Commission represents some 31,000 state employees. The State AFL-CIO involves many thousands of people.

These three groups alone, each opposing a different provision of the several to be lumped onto one ballot, could play a major role in the determination of whether the seven months of work in Lansing produced a good basic law or wasted \$2 million.

Several Convention delegates opposed the single-unit presentation of the document to the people. They were unsuccessful, however, in their attempt to have the proposals broken down into several questions with separate votes on some of the most controversial sections.

BATTLE LINES for the 1962 fall election are drawn; or at least the commanding generals have been designated.

George Romney, likely GOP candidate for Governor, has named many of his troops for his campaign against incumbent Democratic John B. Swainson. It is unlikely either will face competition in the primary. Swainson is expected to call out many of the same troops who helped him win in 1960.

In the No. 2 spot will be Lt. Gov. T. John Lesinski seeking a second term as presiding officer of the Senate. He faced tough primary competition in 1960 and likely will have it again. State Sen. John H. Stahlin, Belding businessman, wants to have the second spot on the Republican ticket. Others are very likely to seek this nomination.

The Democratic field generals will be the same as they are now: the office-holders on the Administrative Board. Republican nominees for these posts are already

are all still in combat training.

WHILE LAWMAKERS HAVE BEEN trying in vain for several years to come up with a tax program that will meet the state's needs, one small voice in the House of Representatives has repeatedly offered a \$100 million solution in a single tax.

The objects of the tax proposed by Rep. A. Fitzpatrick, D-Detroit, are illegal under the provisions of the Constitution, however. They are bingo, lotteries, sweepstakes and off-track race betting.

Fitzpatrick has offered the same solution to Michigan's tax and fiscal problems for several years. No one seems to take him seriously although he insists he means to continue fighting for his proposal. Everyone else has paid little heed to his lone voice while they have been busy talking about income taxes or nuisance taxes.

Constitution prohibitions could be removed by a vote of the people, thus legalizing the gambling means, Fitzpatrick says.

"Gambling is big business in Michigan now, but it is done illegally and the state does not reap any tax benefits from it," he said.

"Bookmakers are reaping more than \$100 million a year illegally. If you don't pay, you don't pay," Fitzpatrick says is the best measure of equitable taxation. "I think we should pass this type of legislation which would permit control of the gambling industry, raise money for the government and lessen the number of violators among our people."

Why I Think We Need A New Library

BY JOHN BEARSS

The main reason our county needs a new library stems from the fact that the present facilities are much too crowded for proper reference work or a larger number of books to accommodate the wide interest of our citizens. A new library would not only give us something to be proud of, but it could raise the reading standard of many people and give them a larger knowledge of their fast-growing world's history and present day conditions and growth. As our community grows so must its accommodations. I believe a new library is of a great necessity to the public.

Editor's Note — This is the third in a series of four prize winning essays written by Crawford County High School students on the need for a new County Library.

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE
FILES OF THE AVALANCHE OF 23 YEARS AGO

May 25, 1939

James V. Petersen has been selected to represent this community in the second annual Wolverine Boys' State in East Lansing, June 15 to 23. The young man is sponsored by the American Legion, Post 106. Boys' State, while it is in its second year in Michigan, is four years old in Illinois and was conducted last year in nineteen states of the Union. Twenty-six assemblies will be held this year.

One of the rare things to be revealed here for some time is the discovery of an eagle nest in the AuSable State Forest, near CCC Camp AuSable. The nest contains two young eagles. The nest was found by a group of jackpines. It is 6 feet in diameter. Nearby was a small pool of water. Eagle nests are usually found in high mountain crags, and in that this one is very unusual. The State Conservation Commission is greatly thrilled over this event and has ordered that special precautions be used for protection of the nest and its young. This morning Walter Hastings, official photographer for the commission, arrived in Grayling and will take motion pictures of the nest and young eagles.

In a year that has seen much sickness and the resultant interruption of class work, the following 16 people have been on every honor roll during the present school year. Others would have been there if they could have gone to school steadily, but the group listed here has never dropped off the list for any reason. Their record is quite remarkable and deserving of high praise. 12th grade, Nellie Pynninen. 11th grade, Ruth Burrows, Charles McNamara, 10th grade, Betty Failing, Margaret Flagg, Joyce Heath, Jane Ann Martin, Rayda Papendick, 9th grade, Joyce Bugby, Faye Christenson, Ruth Kernosky, Clark Smith, 8th grade, Robert Clark, 7th grade, Rose Mary Charbon, Billyann Clippert, Roger Giegling.

Three National Guard observation planes landed at Grayling last week to inspect the landing field. Mr. and Mrs. Rex Penny and children of Toledo were weekend guests of Mr. and Mrs. Dale Penny.

The Misses Evelyn Johnson and Margaret England of Bay City were the weekend guests of Miss Mildred Hanson.

Mr. and Mrs. Donald Akers and son of West Branch, visited the farmer's father, Perry Akers, over the weekend.

Miss Evelyn Skingley of Detroit was the guest of her parents, Mr. and Mrs. George Skingley, over the weekend.

Miss Pauline Schoonover and friends, Miss Kwapis and Miss Cole, left Friday on a two-week vacation. They will visit Washington and New York.

Mr. and Mrs. Charles Lemler and Mrs. Olga Boeson arrived on Saturday from Churubusco, Ind. Mrs. Boeson is remaining for the summer months as guest at the home of Rev. and Mrs. C. Stockholm, the others returning home Sunday.

Carl E. Johnson and son Robert, Misses Theresa Lofquist and Pearl Anderson, all of Detroit, were at the Johnson cabin on the AuSable over the weekend.

Misses Frances Entsminger and Norberta Weiss were the guests of Gordon Dutton and Vernon Cramer of Roscommon at the Junior Prom there Tuesday evening.

Lightning struck a poplar tree to the Leo Schram home this noon, the bolt passing into the house and to the basement. It did little damage except to set fire to some clothing and badly frightening the family.

Mr. Crowe of the Institute of Fisheries Research of Ann Arbor is spending some time here studying control of the Lamprey eel in the Manistee river. These eel have killed many of the fish in the streams in the past two seasons.

Miss Veronica Lovely was one of a class of 31 young ladies who graduated from the Hurley Hospital School of Nursing in Flint, the exercises taking place Friday evening. Miss Lovely graduated with honors from Grayling High School a few years ago and was one of six honor students of the nurses' class. Her father, Peter Lovely and brother Richard and wife were in attendance at the graduation exercises. Hosts of Grayling friends extend congratulations.

A new log vehicle bridge has been constructed across the AuSable River at the site of the old Forbes dam. Veteran CCC enrollees from Camp AuSable built the new structure of native log materials, working under the direction of Jr. Foreman Leaver Punched. The new bridge will serve as a valuable connecting link for fire fighting purposes as well as furnishing a crossing for people who use the forest for recreational purposes.

Grayling seniors got a thrill out of their skip-day Friday when they had a picnic at Tahquamenon Falls. While at Tahquamenon Falls they discovered a deer caught in the swift current above the falls that was gradually sweeping the animal over the falls. The deer fought valiantly but the swift current carried it gradually nearer and nearer the brink. Finally when apparently about ten feet from the falls, by a mighty effort it succeeded in getting away from the swift current and reached the shore. It was a breath-taking experience for the seniors and was a scene they will never forget, nor ever witness again.

Miss Helen Brooks of Frederic motored with her parents, Mr. and Mrs. Clare Brooks of Boyne City, to Big Rapids to be present at the graduation of their son and brother, Gordon Brooks.

Little Miss Shirley Diane Souders of Grayling is spending a few days at the Frederic home of her grandparents, Mr. and Mrs. E. A. Corsaut.

The Frederic and Maple Forest Sportsmen's Club held a special meeting on May 18 for the purpose of erecting a memorial to Rube Rabbit. An unknown person has made a donation of \$100 for that purpose. The club values the honor and trust placed in them by this unknown party.

Mr. and Mrs. Esborn Hanson left Tuesday for a week-end visit to Detroit.

46 YEARS AGO

May 25, 1916

Crawford County is to be honored with a visit from a number of the "Higher-up" Michigan Central railroad officials sometime during the week of June 4th. They are coming here to look over the agricultural districts with a view to materially assisting in the settlement of the counties adjoining the Mackinaw division of the Michigan Central railroad. Marius Hanson, M. A. Bates and A. M. Lewis were appointed a special committee to make the necessary arrangements.

Earl McMahon returned Saturday to Detroit where he has accepted a position.

Clyde Hum of this city, who has been attending the U. of M., has accepted a position with the Michigan Central railroad offices in the terminal station in Detroit. "Slagtinger" the Danish entertainment given under the aus-

pices of Danish Young People's society at the Temple Theatre Friday evening was a very successful affair. After the show a dance was given, Clark's orchestra furnishing the music.

The residence of Harvey Burrows on Maple Street is nearly completed and he will move his mother here from Flint soon.

Miss Bernadette Cassidy is the new assistant bookkeeper at the Bank of Grayling.

Miss Vera Rice of Rose City and Guy Decket of this city were united in marriage at the home of the groom Thursday evening, amid a few relatives and friends. Rev. Terhune of Frederic officiated.

A car of charcoal from the DuPont factory was discovered to be on fire near the M. C. freight depot Tuesday night. An M. C.

engine rushed it back to the DuPont factory where they soon had two streams of water on it.

A. L. Phelps arrived here from Mayville, the forepart of the week end, and is the new superintendent of the Game preserve at Portage Lake.

C. T. Kerry of the Kerry & Hanson Flooring company, arrived in the city from Saginaw Wednesday. This is his first visit since his serious illness of last winter.

Ground has been broken for a fine new cottage at Portage Lake for Mr. Wolff of St. Louis, Mo. George Lathers is doing the work. After this is finished he will start on the homes for Dr. Keyport and T. Hanson, both on Peninsular Avenue.

Letters To The Editor

Bay City, Mich.,
May 11, 1962

"The only town on the map" was a slogan which I believe was originated by Dr. Palmer, the editor of the Avalanche.

I can still see him as he rode his bicycle with his long gray beard and his coat tails flying in the wind. No cars in those days and about the only road you could ride a bicycle on was down to School Section Lake. This road was (paved?) with cedar bark.

You have listed as a member of the band, Arthur Fournier, who was a GHS graduate of 1906 and

left for college a short time after graduating. So your card must have been written before 1908.

Cadillac

How to pay for a Cadillac—and not get one!

There are several ways that a man can pay the price of a new Cadillac car—and find himself in possession of an automobile of far less stature.

Because there are many motorists currently considering the purchase of their next car, we would like to enumerate these ways of going astray.

1. Assume that the purchase price of a new Cadillac car is higher than it actually is. (There are eleven models of other makes that this year cost more than the lowest-priced Cadillac model.)

2. Fail to appreciate that the basic price of a new Cadillac includes many important things that are extra on other cars. (Including automatic transmission, power steering and power braking.)

3. Neglect to find out from a Cadillac dealer what your present car is worth in trade. (He is especially anxious this spring to welcome new owners.)

And if you take one of these detours, think of all the unique pleasures you could be missing. There is Cadillac's styling—so majestic that it attracts attention wherever it goes.

There is Cadillac's comfort—so wonderful that every journey becomes a brief vacation.

And there is Cadillac's performance—so great that it is without rival on the world's highways.

So we suggest that you play it safe—and get all the facts from your dealer soon.

You might be closer to a Cadillac than you think.

Members of the Grayling High School Senior Class and their chaperones had an early morning appointment with Congressman Elford A. Cederberg during their recent visit to Washington. Congressman Cederberg is shown above surrounded by the group on the steps of the Capitol.

WHATEVER THE topic was under discussion, it apparently furnished a much-needed light moment for these Constitutional Convention delegates. From the left are David Upton (R-St. Joseph), Dean Doty (R-Grand Ledge) and John McCauley (D-Wyandotte), who is newly-elected chairman of the Wayne County Board of Supervisors.

REPORT FROM LANSING

ROSS O. STEVENS
Your State Representative
(Prosperity District)

Hot weather adds to the many problems in Lansing. Neither party in the House has the votes to move on either taxes or appropriations. Some would like to pass appropriation bills first and then put on just enough new taxes to meet the necessary expenditures. Others would like the tax bills first and then hold appropriations to the amount of revenue available.

The answer to meeting the increased spending that the administration says is necessary is not going to be easy.

At the present time, most of the opposition to adopting any new tax program, most Legislators realize, is that before now and greatly expanded revenues are adopted, there must be a better control of expenditures. Every member believes that until there is some better control of the executive department spending, any new taxes would soon be swallowed up. Until unauthorized spending, such as exceeding appropriations, can be stopped, putting more tax dollars into the hands of the public spenders only invites a continuation of the real fiscal troubles of Michigan.

This situation exists then: The Republicans cannot pass a bill in the House without help from a few conservative Democrats; the Democrats cannot pass a bill without a handful of ultra-liberal Republicans.

Who will budge? Honestly, I don't know now. Two weeks ago everybody seemed willing to give and take a little. Now the Democrats are howling for an overhaul, and most Republicans are dead set against it.

Everyone admits there must be some taxes added to take care of the 58,000 new school children and other items just to keep the government up to present standards. Even if a tax overhaul, including an income tax, should pass the House, it is not at all likely that it would pass the Senate, even with all the whipping posts. Therefore, I think it would be good judgment to stop talking about an income tax and get down to business.

P. S. The one cent tax proposal on soft drinks to help the schools is gaining some support.

Reading Is Contagious Your Child Can Catch It From You

If you read a lot, chances are your children will too. Easiest way in the world to help your child get the reading habit is to ignore the whole thing. Don't do it! Once a child has learned to read, the most important factor is subject interest. You cannot force a child to read a book he is not interested in. This will only tend to make him reject books. He will find out that books are adventures. The reading habit is formed early, and it sticks.

This week the Friends of the Library will sponsor a display in the Rexall drug store window of new books in the Crawford County Library. These books will be offered to the summer reading club members and are geared for

children in the Third, Fourth and Fifth grades. There's no room for a display at the present library, so don't fail to see these books in the window display.

Let's build a library.

Bits O' Talk

Shurley Baumgartner has gone to Detroit to work. His wife Maggie and children will join him in a couple of weeks.

Mr. and Mrs. Jim Burtch of Fenton spent Mother's Day week-end with their parents, Mr. and Mrs. Marion Burtch.

Mother's Day, May 13th, marked the 16th anniversary of Mrs. Melvin Vallad's arrival in the United States as a war bride, coming from Warrington, England.

Orders now being taken for monuments and markers for Memorial Day. Contact Carl Hanson, DI 8-6479.

The Q. C. Club met in May at the Clarence Roberts home on Saturday, the 12th. The evening was spent playing games. Mrs. Otto Felling won the door prize.

Mrs. Howard Bunker was the lady whose birthday was honored at a meeting of the Birthday Club held Wednesday, May 9th, at the home of Mrs. Leo Lovely. She received a nice gift from the hostess.

Dr. Col. and Mrs. Clyde Borchers arrived May 10th to spend until June 20th at Lake Margrethe, driving here from San Francisco after flying to the States from Okinawa. They will be going to Wichita Falls, Texas, in June. Their son, Carl Wilhelm Borchers, will be coming this Thursday from Cape May, N. J., on a ten day leave from the Coast Guard.

Mr. and Mrs. Jim Parkinson of Roscommon had their daughter, Sheila Jo, baptized Sunday, May 13th, at St. Francis' Episcopal church. Mrs. Parkinson's cousin, Miss Nancy Bruening and her fiancé Paul Doersam came up from Saginaw to be named godparents to Sheila along with Mrs. William Jack Millikin. The group then returned to the Leo Moressey home for a potluck dinner, with Mrs. Floyd Goshorn also a guest.

Area Realtors Marking 1962 Realtor Week

The Northeastern Michigan Board of Realtors, which is currently observing Realtor Week in conjunction with hundreds of other boards of the National Association of Real Estate Boards throughout the country, has designated today as "Homestead Day."

"Virtually all historians have described the enactment of this legislation as a turning point in American history. Briefly, the Act made it possible for thousands of citizens to establish homes and farms on public lands. The only requirements was five years of residence on the land to which they later acquired full title. With this Act, the United States embarked on a new land policy: the attainment of the greatest possible diffusion of real property ownership among its citizens. Ever since 1862 the nation has remained faithful to this ideal. Realtors have been in the front rank of those who espouse it in principle and deed."

Just as you trust the M. D. after

your physicians name, you can rely on the real estate man who calls himself a Realtor. A Realtor is more than just a real estate broker. He is a professional member of your recognized real estate board and of the national Association of Real Estate Boards, pledged to abide by a Code of Ethics in handling all real estate transactions for you. When you need health service, see your local M. D. When you need real estate service, see your local REALTOR. Look for the term REALTOR after his name.

WE enjoyed a lunch of sandwiches, cookies and cool aid. We met at the school on May 15th with 25 present. We enjoyed a hike east of town and this gave us a good opportunity to practice our marching. We sang "When Sally Was a Baby", "Six Little Ducks" and "Do Lord". The story of "Tony Ears a Bicycle" was told by Mrs. Newberry. Then we all enjoyed a picnic lunch and cool aid. There will be no regular meeting on May 29th.

May 30th we will meet at the town hall at 9:15 a.m. and depart at 9:30 a.m. by car to Grayling to march in the Memorial Day Parade, after which we will return to the Frederic town hall for refreshments. Each girl must have a permit slip signed by one of her parents to be able to march in the parade.

Rise In Schooling Noted In County

(Special to the Avalanche)

New York—Despite the admitted shortcomings of the educational process, locally and elsewhere residents of Crawford County are getting more schooling today than they did 10 years ago.

More of them are staying in school to complete their elementary training and are then going on to high school and college. The figures, gathered in a national survey, show that the average local resident by the time he has reached age 25, has been in school for 10.6 years. His counterpart, as recently as 1950, would have had only 9.4 years.

The 13 percent rise in the amount of education being acquired in Crawford County has placed the young people locally in an advantageous position with respect to those in other parts of the East North Central States, where the average number of school years is up 1 percent.

The statistics, which have just been released by the Census Bureau, are based on data gathered during the recent national census. They show that there is an up-

REPORT from LANSING ON LEGISLATIVE ACTIVITIES AND STATE GOVERNMENT

By State Representative
ROSS O. STEVENS
PRESQUE ISLE DISTRICT

This report could have been my last for this session as we were hoping for adjournment next week; however, this hope seems to be in vain. Before the Senate virtually killed the income tax, some House Democrats wanted no part of such a tax. After the Senate action, chances for compromise looked good. For a while Democrats would talk taxes. This past weekend changed all that. Obviously the dictators have spoken. The Democrats are as solid as a rock in opposition to all Republican ideas.

What about the Republicans? We just do not have the votes. One of our members still is in the hospital and that leaves us one short of enough for passage of a bill. How a short time makes a difference!

I am not on the Taxation Committee, but some of the possible tax increases that have been talked about involve corporate franchise tax, telephone and telegraph, cigarettes, liquor, a tax on services, a wholesale tax, a state tax on property transfers and a one cent tax on soft drinks. Right now, I doubt that anyone knows what eventually will be enacted. We have a proposition with schools. Because of 50,000 or so new pupils, some \$3,000,000 additional dollars will be needed to level the schools at the present level. The Senate bill House Bill 243, does state to help schools. Its fate is uncertain.

If I were to make a suggestion right now on a tax to help schools, it would be to put a tax on soft drinks. There are drinks are consumed to a large extent by students, and in this way they would be helping their own education. Do you think this method of helping schools?

Just when we thought progress in taxation could be made, developments from now on, one sure is about as good as another. Right now, I feel that we may have in session several weeks — perhaps months.

CON-CON REPORT FROM L. T. HUBBS

When the Constitutional Convention assembled last October 3, it was with the high purpose of writing a State Constitution under which a united Michigan could move forward confidently and successfully in the future.

This purpose, I believe, has been accomplished.

Not everyone is completely satisfied with the work of the Convention. This is only natural because Michigan has many diverse and conflicting interests, each of which sought some special consideration.

That the Convention was not dominated by any special interest groups is a tribute to the delegates who placed the good of Michigan — all of Michigan — ahead of any other consideration.

The net result is a document which is greatly improved over the present Constitution.

There are those who oppose one provision or another, but the Constitution must be considered as a whole, not as a collection of parts.

Taken as a whole, it is a good document which will lead to greater efficiency and economy in governmental operations.

Some much-needed flexibility in regard to financial matters is provided for the Legislature, to help prevent the seemingly constant crisis in state fiscal affairs. Local governments are strengthened and given more authority to meet their problems. The state court system is improved for greater efficiency and to better serve the people.

Perhaps one of the most important aspects of the Convention recommendations is that dealing with education. Education is the most expensive field of public service in Michigan today, with total expenditures on all phases from kindergarten through university approximating one billion dollars. The Constitutional Convention recommendations streamline the state's educational system, provide for stronger direction and integrate the overall educational effort in Michigan.

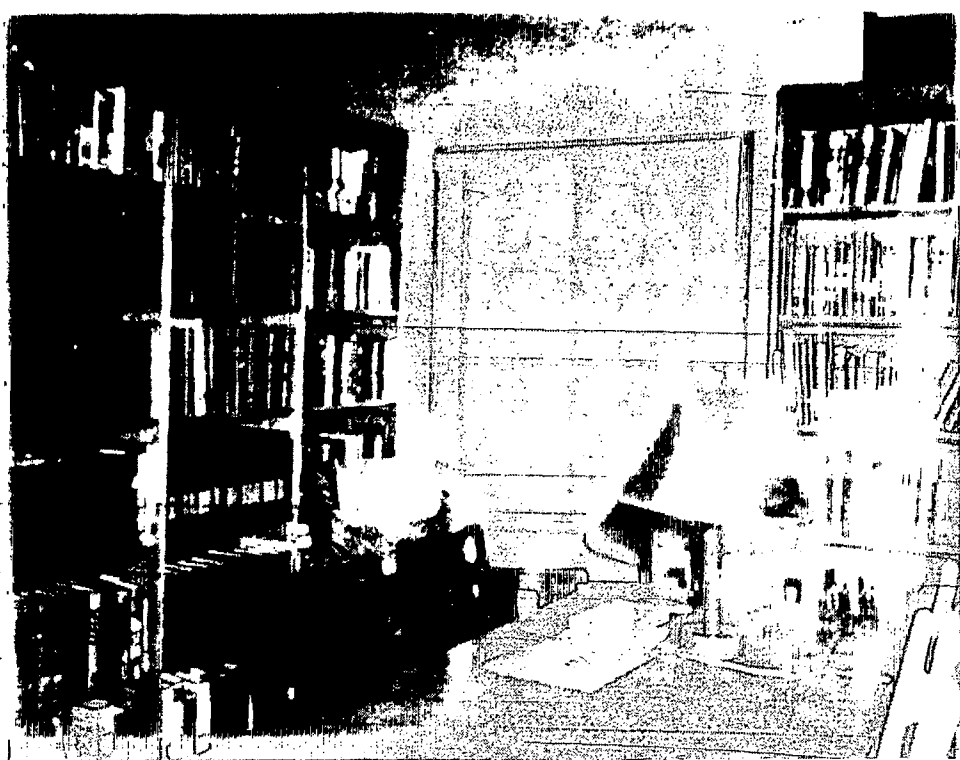

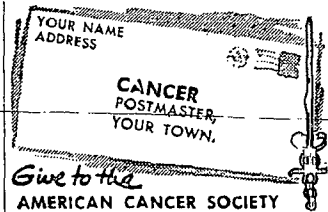

Consolidation of various state agencies into 20 departments, as directed by one new provision, is intended to save the taxpayers money and promote governmental efficiency.

In the Article on legislative apportionment, recognition is given to area as well as population in order to provide a proper balance for all the state and guarantee that all citizens' interests will be protected. Under the plan as approved, no one section of Michigan will be able to impose its will on the rest of the state and all areas will have an adequate voice in making the laws.

The recommendations of the Constitutional Convention are numerous, and they will be discussed in detail in the coming months. Whether the new document will go on the ballot this November for approval or disapproval by the voters is still in question. A court suit is being taken to test the Attorney General's ruling that the vote must wait until April of 1963.

In the meantime, every citizen should acquaint himself with the details of the recommended changes in the Constitution, and assess for himself the merits of the suggested document. Completed copies will be available and it is anticipated that there will be a number of meetings for public discussion.

Serving in the Constitutional Convention has been an enlightening experience and I am grateful to the voters for sending me to the Convention as a delegate. I will be available for meetings to discuss the new Constitution and to answer any questions pertaining to it.

When more than just a handful of students need to use reference books for detailed study of the subject, some have to wait until other are finished. The new library building is planned so that such study areas will be adequate to handle such researching students.

Home Extension News

The Jolly Gals Home Extension group met May 8 at the home of Mrs. Howard Brown. An election of officers resulted in Mrs. Roy Slusser being elected chairman, Mrs. Richard Lovely vice-chairman, Mrs. Earl Whaley secretary-treasurer, Mrs. Richard Merrill and Mrs. Eldee Swanson co-project leaders, and news reporter, Mrs. Arthur Carlson.

A group discussion on ideas for next season's lessons was held, and prospective new members were mentioned. Mrs. Addison Brown spoke on her trip to California and New Mexico during the past winter. Mrs. Don Akers of Manton was a guest and will be rejoining the Jolly Gals in September.

Refreshments were served at the close of the meeting by Mrs. Brown, who will be dropping out of the group.

June 12 the members will be going out for dinner, which will be the last meeting for the season.

Flies and mosquitoes spoiling outdoor fun?

Never again! Now Scotts scientists make it easy for you to keep these annoying pests from plaguing you and your guests. You do this with new Boon, a potent powder easily applied with a turn of the crank of Scotts new Zephyr.

Once or twice a week you dust Boon into shrubs, flowers, foundation plantings, other areas where insects land and feed. The Scotts Zephyr atomizes Boon in a dry fog, depositing a nearly invisible film. When insects land in the vegetation and come in contact with Boon they meet their doom.

With Boon you easily make your own yard an island of freedom. There is no odor, no mess and no worry. Use as often as desired without endangering people, plants or pets.

Chiggers a problem? They won't be if you drift a light cloud of Boon across the lawn.

It takes less than 10 minutes to treat the typical yard area with Boon and the Scotts Zephyr. One or two Boon treatments a week will keep insects under control — and assure you of the pleasantest summer you ever spent outdoors.
